

Staff at this Collection Center are taking Protected Industrial Action

**Services are delayed to one Collection per hour
for participating Staff Members.**

**This is to ensure that there will be skilled staff
available in the future to provide you with the
prompt service you deserve.**

**Please support the Staff during this short period
and if you have a urgent test, discuss this with
your friendly Phlebotomist for alternative options**

We apologise for any inconvenience this may have caused you
